

PACKING FOR A HAPPY CHILD AT A CON

Here are some things that you shouldn't forget to bring with you to the con, either to keep in a close by hotel room or in your bag at the convention.

- Snacks – trail mix, cookies, crackers, dried fruit
– you want a variety of small food that they can eat while standing in line and in other environments
- Water Bottles – you can never have too much water on hand, and most places have water fountains where you can refill a water bottle
- Coloring/Activity Books
- A special toy that they haven't played with much before
- All toys should involve very few parts, so as not to lose them
- Extra underwear and socks, in case of accidents or rain
- Cell phones for older kids
- Information sheets for all kids – phone numbers, hotel room numbers, etc.
- Extra batteries for toys
